Available Training Opportunities [SAMPLE]

Please complete this form so we can have a complete inventory of the training opportunities and assignments that are available through your agency. This document will be used to <u>customize training assignments for each participant</u> and as a <u>pre-screening tool</u> to match appropriate candidates with the right Host Agencies. Our local Project Director will rely on this information when he/she develops each participant's individual work-training assignment. Please be sure to include all <u>potential</u> and <u>existing</u> training options available through your agency, so we can better assist you in expanding your community services and provide quality training to our program participants.
