

# Do You Know Someone Who Could Use a Friendly Voice?

## Become a Holiday Buddy!

Everyone deserves a nice conversation, especially during the holidays. Holiday Buddies matches seniors with a friendly voice that checks in and provides a warm conversation through our Telecare phone reassurance program.

If you are 55 or older, volunteer as an RSVP Holiday Buddy and make a weekly phone call to an isolated senior. You can make a difference right from your home!

You can also sign up to be a person who receives phone calls. Count on your Holiday Buddy to check in to see how you are doing at a designated time.
