Summit County Farmer (if you receive multiple e-mails because you are in multiple counties, you only need to complete one),

We are hoping you are excited about participating as a farmer in the Senior Farmers Market this year. In Summit County not only will we have our regular granted amount, but we have the extra opportunity to serve an extra 250 low income seniors through another grant.

I have attached the information you will need to register:

1. Farmer Application 2019 (**needs filled out and returned**)
2. 2019 Farmer Manual
3. Civil Rights Training, needed to do test
4. 2019 Civil Rights Test (**needs filled out and returned**)
5. W-9 (**needs filled out and returned**)

You can return all the information via e-mail to khrdlicka@vantageaging.org or via regular mail to: VANTAGE Aging Attn: Karen, 2279 Romig Road, Akron, OH 44320

We look forward to working with you!
