March for Meals This National Nutrition Month

The month of March mobilizes hundreds of local Meals on Wheels programs across the country to reach out to their communities and build the support that will enable them to serve America's seniors all year long.

The 18th annual March for Meals campaign gives the businesses, organizations, governments and volunteers who contribute so generously
in their communities an opportunity to support homebound seniors in a variety of ways to make America stronger and healthier.

During March, which is also National Nutrition Month, learn how you can support Meals on Wheels of Northeast Ohio and ensure that no senior is left hungry and alone.
