We've Centralized Operations to Serve Growing Needs

Companies around the world are finding creative ways to work effectively through the pandemic. For Meals on Wheels of Northeast Ohio, that meant centralizing kitchen operations to our Massillon location.

We've implemented several key updates to ensure that our 2,700 plus clients are served. This included a 23'x45' freezer, a purchase supported by The Austin Bailey Foundation through a \$25,000 grant.

Check out our latest improvements to better serve seniors in Stark, Summit, and Wayne Counties.
