#### INDEPENDENT AUDITORS' REPORT

Board of Directors VANTAGE Aging Akron, Ohio

#### Report on the Financial Statements

We have audited the accompanying financial statements of VANTAGE Aging (the "Organization"), which comprise the statement of financial position as of September 30, 2020 and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as, evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of September 30, 2020, and the changes in its net assets and its cash flows for the year end ended in accordance with accounting principles generally accepted in the United States of America.

#### Report on Summarized Comparative Information

We have previously audited the Organization's 2019 financial statements, and in our report dated March 5, 2020, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations ("CFR"), Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirement for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 3, 2021, on our consideration of the Organization's internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting or on compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

#### **NOTE 1 - ORGANIZATION**

#### **Nature of Operations**

VANTAGE Aging (the "Organization") provides high-quality programs to empower the economic, social, physical, and mental well-being of adults as they age.

On January 1, 2019, Meals on Wheels of Stark & Wayne Counties ("MOW") merged with VANTAGE Aging, with VANTAGE Aging as the surviving Organization. As a result of the merger, the assets and liabilities of MOW were carried over and recorded in the statement of financial position of the Organization. Accordingly, the related activities and transactions of the former MOW are included in the statement of activities of the Organization for the period January 1, 2019 through September 30, 2019.

Programs of the Organization include Senior Community Service Employment Program (SCSEP), Retired Senior Volunteer Program (RSVP), Meals on Wheels of Northeast Ohio, Home Wellness Solutions, Behavioral Health Solutions, and Encore Staffing Network.

#### Senior Community Service Employment Program (SCSEP)

The Senior Community Service Employment Program (SCSEP) is a job training program for older adults located in 38 Ohio counties. Funded under grants from the U.S. Department of Labor (DOL) and Ohio Department of Aging (ODA), the program provides paid, part-time job training in community service assignments. Program participants are low-income adults age 55 and older placed with nonprofit and government agencies (host sites) for training. SCSEP provides a dual benefit to the communities it serves: improving job readiness of older workers while expanding the services provided by local host sites. During the COVID-19 pandemic, participants have continued preparing for employment by completing a series of curated workforce trainings. Additionally in 2020, the Organization secured a grant from DOL in collaboration with ODA to perform the Shrinking the Digital Divide for Older Ohioans demonstration project. The purpose of this 2-year innovative project is to further develop the individual capacity of older Ohioans by providing computer hardware, expanding internet access, upskilling digital literacy competencies, and better preparing job seekers for unsubsidized employment.

#### Retired Senior Volunteer Program (RSVP)

As one of the largest volunteer networks in the nation, RSVP is a program of the Corporation for National and Community Service and provides volunteers age 55 and older with meaningful service opportunities. RSVP volunteers address critical community needs and take on new national initiatives to meet those needs. With a strong corps of experienced volunteers, RSVP helps to build capacity and outreach efforts for over 70 organizations including food pantries, health and wellness programs, and social service agencies. A Tele-Care program provides outreach to homebound seniors, helping to address social isolation. Vantage Aging provides RSVP programming in Summit, Medina, Geauga, Wayne, Delaware, Franklin, and Hamilton counties. During the COVID-19 pandemic, the

Organization's RSVP volunteers continued to serve the community by increasing participation in socially distanced opportunities.

#### Meals on Wheels of Northeast Ohio

Supporting the nutritional needs of older adults in Summit, Stark and Wayne Counties, the Meals on Wheels of Northeast Ohio program provides homebound and disabled clients the opportunity to select their own delicious and nutritious meals to be delivered to their home to support their health and well-being. As part of the Organization's continuum of care, each visit includes a wellness check, where professionally trained drivers can assess potential health issues, such as fall-risk assessments. Congregate dining options are provided at several locations to provide healthy meal alternatives and socialization opportunities to prevent social isolation. Additionally, the Ohio Senior Farmers' Market Nutrition Program provide vouchers to seniors age 60 and older who meet income guidelines for the purchase of up to \$50 in fresh produce at local farmer's markets. During the COVID-19 pandemic, Meals on Wheels of Northeast Ohio provided continuous, safe meal service.

#### Home Wellness Solutions

The Organization provides non-medical home care and wellness support services in the homes of older adults and individuals with disabilities. Individual plans are customized according to an assessment of the client's needs and care coordination with the Organization identifies additional programs that may benefit the client. Home health aides provide hands-on care for activities of daily living (ADLs) within the client's home, including bathing, dressing, feeding, toileting, grooming, oral care, walking or use of a wheelchair. Homemaker services provide housekeeping, laundry, shopping, and meal preparation to support client independence. Chore services help with heavy household cleaning. During the COVID-19 pandemic, the Vantage Aging Home Wellness team implemented safety precautions to continue service to clients while protecting their health.

#### Behavioral Health Solutions

Behavioral Health Solutions provides specialized integrated mental health and alcohol and other drug treatment and prevention services to persons age fifty and older and adults with disabilities. A team of licensed professional focus on the continuum of care, addressing physical, mental, and socioeconomic aspects of an individual's health. Specializing in the unique issues facing the older population and identifying physical factors that can attribute to increased impairment or risk, our team partners with other programs within the Organization to address the person as a whole. In March 2020, the Organization transitioned this program's clients and staff to The Blick Center, another area non-profit organization specializing in behavioral health.

#### Encore Staffing Network

The Encore Staffing Network is a program funded in part by The Cleveland Foundation that provides placement of older workers who want to stay engaged in the workforce while dedicating their skills and talents to a variety of employers with profits being re-invested into the agency's mission.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### New Accounting Pronouncements

In June 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The new guidance clarifies the definition of an exchange transaction and the criteria for evaluating whether contributions are unconditional or conditional. Effective October 1, 2019 the Organization adopted ASU 2018-08 using the modified prospective transition method. This guidance did not have an impact on the Organization's financial statements.

In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers (Topic 606). Under this standard, a company recognizes revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services. The Standard implements a five-step process for customer contract revenue recognition that focuses on transfer of control. The standard is effective for annual reporting periods beginning after December 15, 2019. Entities can transition to the standard either retrospectively or as a cumulative-effect adjustment as of the date of adoption. The Organization is currently analyzing the impact of the standard on the financial statements.

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), which requires a lessee to recognize on the balance sheet the assets and liabilities for the rights and obligations created by those leases with a lease term of more than twelve months. Leases will continue to be classified as either financing or operating, with classification affecting the recognition, measurement and presentation of expenses and cash flows arising from a lease. The standard is effective for annual reporting periods beginning after December 15, 2021. The Organization is currently assessing the impact this standard will have on the financial statements.

#### **Financial Statement Presentation**

As required by the Not for Profit Entities Topic of the FASB Accounting Standards Codification ("ASC"), the Organization reports information regarding its financial position and activities according to two classes of net assets, net assets without donor restrictions and net assets with donor restrictions.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

For the purposes of the statements of cash flows, the Organization considers all highly liquid investments purchased with maturities of three months or less to be cash equivalents.

#### Concentration of Credit Risk and Funding

The Organization maintains its cash balances in commercial banks located in Ohio. Accounts maintained in commercial banks are guaranteed by the Federal Deposit Insurance Corporation. At times balances held at financial institutions were in excess of the federally insured limits. The Organization believes no significant concentration of risk exists with respect to these cash investments.

The Organization is funded from grants and reimbursements from various governmental agencies. The Organization anticipates the renewal of all its grants and federal awards. The Organization received approximately 61% and 60% of their revenue from the Department of Labor for each of the years ended September 30, 2020 and 2019, respectively.

#### Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

#### Revenues and Accounts Receivable

The Organization carries its accounts receivable at cost less an allowance for doubtful accounts. Monthly, the Organization evaluates its accounts receivable and establishes an allowance for doubtful accounts, based on both its history in collections from each payer and of each payers' aging balance. Accounts are written off as uncollectible when the Organization determines the amount cannot be collected. The allowance for doubtful accounts balance was \$40,798 and \$36,343 as of September 30, 2020 and 2019 respectively.

#### Inventories

Inventories consist of food and related supplies and are carried at the lower of cost (first-in, first-out) or net realizable value.

#### Investments

Investments consist of marketable equity securities and funds. All marketable securities are reported at fair value. Realized gains and losses are determined on the specific-identification method and are reflected as part of investment income. Unrealized gains and losses are reflected as part of investment income.

#### Beneficial Interests Held by Community Foundations

The Organization carries beneficial interests in assets held by Stark Community Foundation and Akron Community Foundation. Realized and unrealized gains and losses are included in investment income on the accompanying statement of activities.

#### **Fixed Assets**

Purchased fixed assets are recorded at cost and donated fixed assets are recorded at fair value at the date of donation (items valued at \$5,000 and over are capitalized). Routine maintenance, repairs, renewals and replacement costs are charged against income. Expenditures that significantly increase values, change capacities or extend useful lives are capitalized.

Depreciation is computed by the straight-line method, using the half-year convention, at rates calculated to amortize the cost or fair value at date of donation of the assets over their estimated useful lives as indicated below:

Building 20 years
Furniture and equipment 5-10 years

Leasehold improvements

\*Leasehold improvements are amortized over the lesser of their estimated useful lives or the lease term, including renewals.

#### Construction in Progress

During 2017, the Organization started plans to renovate the building to construct an additional kitchen area. The construction project was abandoned during the year ended September 30, 2019 and the related construction in progress balance of \$143,275 was written off and reported as an abandonment loss on the statement of activities.

#### Interest-Rate Swap

The organization has an interest-rate swap in place to mitigate interest-rate risk on a note payable (Note 5 & 8). The related liability or asset is reported at fair-value in the statements of financial position, and unrealized gains or losses are included in the statement of activities.

#### **Unearned Revenue**

Unearned revenue represents monies received for which expenditures have not yet been incurred or services have not yet been performed.

#### Contributions

Pledges and contributions are recorded as revenue at the time the Organization receives the funds or a written communication from a donor indicating the amount and nature of the gift and that the gift is unconditional.

Unconditional gifts are recognized as restricted revenues if the donor's intention for the use of the funds is restricted for time or purpose. These gifts increase donor restricted net assets until they are used for the purpose intended or until the restricted time has passed.

Conditional gifts are recognized when the conditions on which they depend are substantially met. Conditional gifts include grants and contributions requiring that other funds are raised by the Organization as a match. Once the match has been raised as required, the original gift is recorded as revenue based on donor restrictions.

Grants, pledges and contributions with no donor restrictions or requirements as to their intended use are considered unrestricted in nature and recognized as revenues and net assets without donor restrictions.

Gifts received that are designated for the beneficial interest in trust held at the Akron Community Foundation, Senior Love Fund, are classified as permanently restricted net assets on the statements of financial position and reported in investing activities in the statements of cash flows.

#### **Functional Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the program and supporting services benefited.

#### Tax Status

The Organization is a non-profit organization and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Under the Income Tax Topic of the FASB ASC, the Organization is required to identify uncertain tax positions taken, assess and quantify those positions and record reserves. As of and for the years ended September 30, 2020 and 2019, the Organization has identified no uncertain tax positions.

The Organization files informational tax filings in United States Federal and State of Ohio jurisdictions.

#### Subsequent Events

The Organization has evaluated subsequent events through March 3, 2021, the date the financial statements were available to be issued.

#### NOTE 3 - BENEFICIAL INTERESTS HELD BY COMMUNITY FOUNDATIONS

The FASB ASC provides guidance on the net asset classification of donor-restricted endowments and board designated funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 ("UPMIFA").

The Organization's endowment consists of a beneficial interest in asset held at the Akron Community Foundation ("ACF") and Stark Community Foundation, Inc. ("SCF"). As required by accounting principles generally accepted in the United States of America ("GAAP"), net assets associated with endowment funds are classified and reported on the existence or absence of donor or board imposed restrictions.

#### Interpretation of Relevant Law

The Organization believes that absent explicit donor stipulations to the contrary, fiduciary standards require the preservation of the "historic dollar value" of donor-restricted endowment funds. Historic dollar value as to any donor-restricted endowment fund means the aggregate fair value of (a) the original value of gifts donated to such fund, (b) the original value of subsequent gifts to such fund, and (c) accumulations to such fund made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Accordingly, the Organization classifies the historic dollar value of donor-restricted endowment funds as permanently restricted net assets. Notwithstanding the foregoing accounting classifications, unless the gift instrument creating a donor-restricted endowment fund expressly provides otherwise, the Board of Directors (the "Board") of the Organization may, as provided in Ohio UPMIFA, from time to time, appropriate for expenditure such portion of the permanently restricted net assets as the Board determines is prudent, after application of the factors set forth below.

In accordance with Ohio UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the funds
- The purpose of the Organization and the donor-restricted endowment funds
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

#### Return Objectives and Risk Parameters

The Organization follows investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period. Under this policy, as approved by the Board, the endowment assets are invested in a manner that is intended to produce results that over time will average the level of the approved Organization endowment spending rate plus inflation. Actual results in any given year may vary from this desired goal.

#### Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation in order to achieve its long-term return objectives within prudent risk constraints.

#### Spending Policy and How the Investment Objectives Relate to the Spending Policy

The endowments of the Organization held at ACF operate under a spending policy determined by ACF. In establishing this policy, the Organization considered the long-term expected return on its endowment. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held into perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

The following is a reconciliation of beneficial interest fund held at the ACF for the years ended September 30:

The Organization also has funds invested with the SCF which are held in a pooled investment fund. All contributions to the fund are held, invested and managed by the SCF. The Organization has not granted SCF variance power. Income from the fund's assets is available for distribution to the Organization upon request from its board of directors. The agreement also provides for distributions of principal to the Organization, upon approval of the board or directors.

The Organization has adopted SCF's specific investment and spending policies for pooled investment assets that attempt to preserve the portfolio's purchasing power through asset growth in excess of the spending rate plus rate of inflation. The long-term objective of SCF's fund is that it will earn a return of at least the consumer price index plus 5.75%. The objective is to maximize the long-term return while assuming a reasonable level of risk.

The following is a reconciliation of beneficial interest fund held at the SCF for the years ended September 30:

#### NOTE 4 - RESTRICTED CASH

Cash in the amount of \$274,619 and \$273,801 is held and designated for use by the board as of September 30, 2020 and 2019, respectively. There was also restricted cash of \$56,958 for employee health savings accounts at September 30, 2019. There was no such restricted cash at September 30, 2020.

#### NOTE 5 - FINANCIAL INSTRUMENTS AND FAIR VALUE MEASUREMENTS

The Organization entered into an interest swap agreement in February 2018 to fix the interest rate at 2.89% on the Organizations variable interest note payable, to reduce exposure to interest rate fluctuations. The Organization's interest rate swap notional amount was \$1,079,665 and \$1,141,656 as of September 30, 2020 and 2019, respectively. The term of this swap agreement expires in February 2023. As of September 30, 2020 and 2019, the fair value of the interest rate swap was \$(68,033) and \$(52,666), respectively. The related interest rate swap liability is included in other liabilities on the statement of financial position.

Investments are classified in the other assets section and money markets funds are classified as cash equivalents on the statements of financial position and include the following as of September 30:

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Organization uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Observable inputs such as quoted prices in active markets;
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Assets measured at fair value on a recurring basis are as follows:

| September 30, 2020         | Fair Value   | Level 1      | Level 2    | Level 3 |
|----------------------------|--------------|--------------|------------|---------|
| Money market funds         | \$ 390,654   | \$ -         | \$ 390,654 | \$ -    |

| Beneficial interest:       |              |              |            |         |
| Stark Community Foundation | 97,030       | -            | 97,030     | -       |
| Akron Community Foundation | 51,974       | -            | 51,974     | -       |
|                            | \$2,390,988  | \$ 1,731,982 | \$ 659,006 | \$ -    |

The classification of fair value measurement within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value as are follows:

- Money market: Valued based on the closing price reported on the active market on which the
  individual securities are traded.
- Mutual funds: Valued at net asset value of shares held.
- Equity securities: Valued at the closing price reported on the active market on which the individual securities are traded.
- Beneficial interest in trust: This investment pool, in which the Organization participates, includes
  investments in equities, mutual funds, and fixed income funds. The Organization's separate
  accounts are adjusted with its proportion of investment activity from the investment pool throughout
  the year. The fair value of both, the beneficial interest in fund and beneficial interest in perpetual
  fund, is equal to the Organization's proportion of the quoted price obtained for total investments in
  the investment pool.

#### NOTE 6 - FIXED ASSETS

This amount is included in grants revenue in the accompanying statement of activities. The accounts receivable from the Ohio Department of Mental Health & Addiction Services & County of Summit Alcohol, Drug Addiction & Mental Health Services Board at September 30, 2020 and 2019 were \$1,615 and \$97,136 respectively.

#### NOTE 14 - OHIO DEPARTMENT OF AGING

The Organization has been awarded contracts from the Ohio Department of Aging for contract years July 2020 through June 2021 and July 2019 through June 2020 in the amounts of \$3,427,448 and \$3,244,593 respectively. Revenues earned under these contracts were \$3,097,831and \$3,349,119 for the fiscal years ending September 30, 2020 and 2019, respectively. These amounts are included grants revenue in the statement of activities.

#### NOTE 15 - CAPTIVE INSURANCE AGREEMENT

The Organization entered into a group captive insurance agreement with a segregated account insurance company based in Bermuda. The Organization and six unrelated nonprofit organizations were members of a self-funded group medical captive program called Roundstone Mid Market Med Group Captive ("captive

program") owned by the segregated accounting insurance company. The members of the captive program share in its annual underwriting results and risks.

The Organization terminated the captive insurance agreement in accordance with the agreement's provision and was replaced with a fully insured program with similar coverage effective January 1, 2019.

#### NOTE 16 - MERGER OF WHEELS ON MEALS OF STARK AND WAYNE COUNTIES

In November 2018, the Organization entered into an Agreement and Plan of Merger ("Agreement") with Meals on Wheels of Stark and Wayne Counties ("MOWSW"). The agreement was approved by the Board of Directors of both organizations, with an effective date of January 1, 2019. Under the Agreement, the Organization is the surviving entity and operations of both Organizations will continue under the name Vantage Aging and operate under a combined code approved by both Board of Directors. All funds held by MOWSW were transferred the Organization with \$1,000,000 of the funds board restricted solely for the meals program benefiting Stark and Wayne Counties for a period of three years. As of the effective date, the following schedule of asset and liabilities were carried over and recorded and on the statement of financial position of the Organization:

| Assets:                                   |                 |

#### NOTE 17 - AVAILABILITY AND LIQUIDITY

The Organization's working capital and cash flows are influenced by the availability of grant funding, program activity, fundraising and donations. The Organization invests cash in excess of daily requirements in short-term investments. To manage unanticipated liquidity needs, the Organization has available a line of credit in the amount of \$250,000 (Note 7).

The Organization's financial assets available for general expenditure within one year are as follows, as of September 30, 2020:

| Financial assets at the end of the year                 |              |
|---|--------------|
| Cash and cash equivalents                               | 1,517,794    |
| Accounts and grants receivable                          | 616,589      |
| Beneficial interests held by community foundations      | 155,323      |
| Investment securities, at fair value                    | 1,642,497    |
| Total financial assets                                  | 3,932,203    |
|   |              |

| Net assets with donor restrictions                      | (46,925)     |
| Board designated funds                                  | (2,083,630)  |
| Cash designated for specific purposes                   | (200,000)    |
|   |              |
| Total amounts not available to be used within one year  | (2,330,555)  |
|   |              |
| Financial assets available to meet general expenditures |              |
| over the next twelve months                             | \$ 1,601,648 |

The Organization has sufficient financial assets at year end to meet approximately thirteen months of supporting service expenditures, or approximately one month of total expenditures. Program service expenses over the next twelve months are expected to be funded by government support, non-government revenue and program revenue.

#### NOTE 18 - NET ASSETS

Net assets with donor restrictions include the following as of September 30, 2020 and 2019:

|   | 2020         | 2019         |
|---|--------------|--------------|

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors VANTAGE Aging Akron, Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of VANTAGE Aging (the "Organization") (a nonprofit organization), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 3, 2021.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors VANTAGE Aging Akron, Ohio

#### Report on Compliance for Each Major Federal Program

We have audited VANTAGE Aging's (the "Organization") compliance with the types of compliance requirements described in the Office of Management and Budget ("OMB") Compliance Supplement that could have a direct and material effect on each of the Organization's major federal programs for the year ended September 30, 2020. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Organization's compliance.

#### Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2020.

#### Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
