

Affordable Connectivity Program

Take Advantage of The Affordable Connectivity Program

The Affordable Connectivity Program is a federally funded program. We have a team that will assist low-income individuals in signing up for ACP-funded internet.

You can purchase a mobile hotspot from us at the ACP discount price of \$85 one time. **Your monthly service will then be free until ACP runs out and \$15 after that on a monthly, no-contract, pay-as-you-go basis.**

Individuals who redeem their ACP discount through us will also receive a one-time \$100 discount on a refurbished Chromebook from our website making the purchase price \$20-\$50.
