INSTRUCTIONS FOR COMPLETING IN-KIND WAGE REPORT

VANTAGE Aging is required to provide a Non-Federal In-Kind Match towards the cost of VANTAGE Aging annual program funding. - (3) The source of the funds that pay the wage of the designated trainer(s) expressed percentage, Federal and Non-Federal. NEW TRAINER: A NEW In-Kind Wage Report and Authorized Signature Form shall be completed by the Training Site anytime there are changes within the grant year and forwarded to the Local Regional Director BEFORE a time sheet is submitted with the new trainer's signature.

Contact your Local Regional Director if you have any questions.

IN-KIND WAGE REPORT

The number of hours provided in supervised training each pay period will be documented on the SCSEP job seeker's time sheets. **A trainer's hours of supervised training may not exceed 20% of the total hours that the job seeker reports.** Vantage Aging will then multiply each trainer's wage rate by the number of hours spent training the job seeker during the pay period to calculate the required non-federal in-kind contribution.
