THANK YOU TO OUR COMMUNITY PARTNERS!

Thank you for believing in us and supporting our mission this year. We greatly appreciate all that you do to support the needs of seniors in our community!

AKRON COMMUNITY FOUNDATION

Akron Community Foundation is where generous families, individuals, companies and nonprofits make charitable dollars go the furthest for the permanent good of our community. The Foundation has continuously supported Vantage, awarding our agency with \$20,000 annually. They are collaborative partners and Vantage are grateful for the Foundation helping us continue the work we do.

WESTERN RESERVE HOSPITAL AND SENIOR COALITION

Western Reserve Hospital's Senior Coalition is a key resource for local senior citizens seeking health news, information and resources. The Western Reserve Hospital Senior Coalition is made up of over 100 professionals who have dedicated their careers to serving seniors throughout Northeast Ohio by offering free events for seniors in our area. The Coalition has provided Vantage with many opportunities to engage with seniors and their families, and actively seeks new ways to collaborate and support older adults.

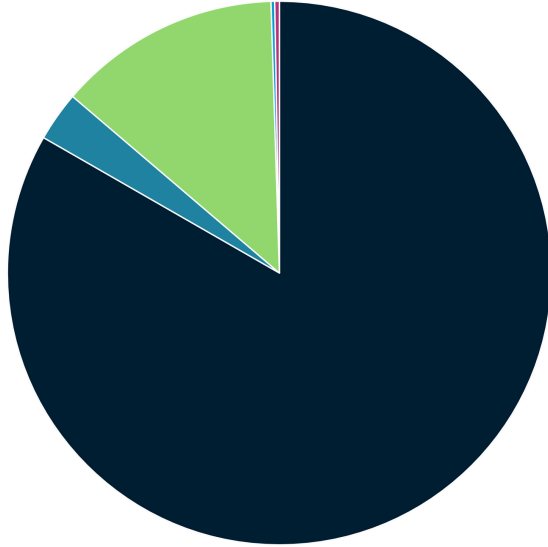

MCTV

MCTV "goes the extra smile" for its customers, adding high-touch service to high-tech telecommunications. Since 1965, MCTV's 165+ local employees have been serving their neighbors with a full complement of advanced broadband products for home and business. They also support their local community, including Meals On Wheels' Helping Hands Raffle in September.

To our volunteers, thank you for your unwavering dedication and support during these most challenging times. Your willingness to serve is an inspiring example of the good in our community. Your efforts are a reminder to seniors isolated at home that they are heard and cared for. Thank you for all that you do!
